Skyward Family Access Page:

The screenshot shows the Skyward Family Access interface. At the top left is the Skyward logo. To its right, the text 'Family Access' is displayed, followed by a dropdown menu currently set to 'All Students'. In the top right corner, there are links for 'My Account', 'Email History', and 'Exit'. On the left side, a vertical navigation menu lists various options: Home, Ethnicity/Race, Calendar, Gradebook (highlighted with a red oval), Attendance, Student Info, Food Service, Schedule, Test Scores, Fee Management, Activities, Portfolio, Health Info, Login History, and SkyPort. The main content area is titled 'Gradebook' and contains a message: 'The Gradebook is not available when viewing All Students. Please use the Student Select list to select a student.' A red arrow points from the 'All Students' dropdown to the explanatory text on the right. Another red arrow points from the 'Gradebook' menu item to the same text.

Menu selections on the left are for all your students enrolled within USD 464. "Gradebook" is the only student specific selection.
