

## Chieftain Remembrance Walk

Thank you for supporting the Chieftain Remembrance Walk. Your \$50 donation will purchase a personalized brick installed as a permanent part of this wonderful project.

You may order a brick with one, two, or three lines of text. The maximum length of each line is fifteen (15), including letters, numbers, spaces, commas, periods, or other symbols. We reserve the right to request that appropriate wording be on the brick face. Please allow the immediate family the privilege of ordering the memorial brick to be placed in the "T" letter or request permission. You however, may honor the memory of your friend by purchasing a brick to be placed in the outlying area surrounding the "T".

Memorial Brick

Community Brick

Line 1: (Please write legibly! This form will go directly to the brick engraver).
