As a learner, I agree that I will:

- Know where my Chromebook is at all times.
- Not alter or attempt to change the management settings on my Chromebook.
- Arrive at school with my Chromebook charged.
- Keep food and beverages away from my Chromebook as they may cause damage.
- Not use the Chromebook camera to take and/or distribute inappropriate and unethical material.
- Not disassemble any part of my Chromebook or attempt any repairs.

I understand that any violation of this agreement may result in the suspension or loss of my Chromebook and school network privileges. Additionally, I may face disciplinary action for such violations.

Parent Agreement

I understand that my family's responsibilities include:

- Ensuring my child meets the expectations outlined in the Tonganoxie Chromebook Guide and the Tonganoxie School District Acceptable Use Policy.
- Protecting the Chromebook, within reason, against damage, loss or theft while it is at home or outside of school.
- Ensuring my child reports damage to the school IT Department in a timely manner.

In consideration of the privileges and opportunities afforded by the use of Tonganoxie School District technology resources, I hereby release the Tonganoxie School District, its employees and directors from any and all claims of any nature arising from my child's use or inability to use these resources, including but not limited to claims that may arise from unauthorized use of a Chromebook.

I also understand that it is impossible for Tonganoxie School District to restrict access to all controversial materials and I will not hold the District responsible for materials accessed with a District Chromebook.

I accept full responsibility for my child's use of the Chromebook while not in a school setting and understand that my child's Chromebook use is subject to the same rules and requirements when used off-campus. I understand that my child's Chromebook privileges may be suspended or revoked for violations of this Agreement.

Chromebook Fees and Repairs

As part of their participation in the Chromebook program, students will pay an annual nonrefundable Technology Fee of \$50.00.

The District will use the following guidelines for determining costs associated with repairs/replacements:

- In the case of accidental damage the District will charge a flat fee of \$30 for repair. If the damage is less than \$30 the student will only be charged the cost of parts.
- The District will charge the student the costs of replacing any lost or damaged bags and chargers.
- The replacement plan does NOT provide coverage for the loss of the Chromebook and/or its accessories, cosmetic damage, or damages caused by intentional misuse or abuse. If it is determined that damages occurred by intentional misuse or abuse, the student will be charged the full cost of repair or replacement.

I understand that should damage occur to the Chromebook assigned to my child due to intentional damage, I will be solely responsible for reimbursing the school for repair or replacement costs.
